### A. General

1. This organization will be known as the PDX Pride Bowling League.
2. We are a Lesbian, Gay, Bi, Transgendered, Queer and Straight Allies bowling league. We enjoy camaraderie, fun, socializing and some mild competition. We welcome all bowlers regardless of who they are. We do require that you are an ally to the LGBTQ community and/or are open minded to all sexual orientations.
3. The league shall consist of up to 24 (4 person) teams with a maximum of 6 bowlers on each team roster. This is a mixed league. Bowlers must be a minimum of 18 years of age.
4. The purpose of the league is to conduct ten-pin activities. It shall foster and maintain the spirit of fellowship and true sportsmanship within the league. There will be zero tolerance to any violence whether it is verbal or physical while the league is in session.
5. The United States Bowling Congress (USBC) through the Greater Portland USBC Association shall sanction this league. The USBC Book of Playing Rules shall apply to all rules not covered under the PDX Pride league rules.

6. Each bowling member, including substitutes, must pay for USBC membership prior to the completion of the bowler's first series. The application must be completed and submitted to the Secretary and accompanied by the appropriate fee \$26.00 for adults. Bowlers currently holding a valid summer 2017 league card will still be required to pay the membership fee. Bowlers holding a valid USBC card through local associations other than the Greater Portland USBC must pay a transfer fee of \$12.00 in state and \$13.00 out of state.
7. The general membership for the fall/winter/spring league shall elect by ballot the officers of the league for the next season four weeks prior to the end of the season. The general membership shall adopt the league rules at the organizational meeting prior to the first night of league bowling.
8. The officers of the league shall consist of the President, Vice-President, Secretary, Treasurer, and Sergeant at Arms.
9. The management of the PDX Pride League shall be vested in the Board of Directors, which membership shall consist of the League Officers and Team Captains. A League Officer cannot be a Team Captain. A majority (two-thirds of the Board of Directors) constitutes a quorum in which to hold meetings after the organizational meeting.
10. Any current season member of the Board of Directors can call a meeting. The President will preside over all meetings. In the event of the President's absence, the Vice-President shall assume the role as President.
11. The duties of each League Officer shall consist of the rules under which this league operates, and any rule not covered by these league rules shall be those set forth in the USBC Book of Playing Rules.
12. League officers shall be responsible for the league awards ceremony on Sunday, April 29, 2017.

## **B. Schedule**

1. The PDX Pride League will bowl on every Sunday for 29 weeks (weather permitting), starting on September 10, 2017 and ending on April 22, 2018. All scheduled matches, including practice, will start promptly at 6:20 PM.
2. The PDX Pride League will bowl every week except on the following dates:
  - October 8, 2017 in support of those participating in the Bridgetown Invitational Tournament
  - December 24, 2017 in observance of Christmas
  - December 31, 2016 in observance of the New Year
  - April 1, 2018 in observance of Easter
3. The PDX Pride League will bowl a split season, with position round on December 17, 2017 and April 15, 2018. First place teams from each half will roll-off for league championship. Schedule below:
  - First half ending December 17, 2017 = 14 weeks weather permitting
  - Second half ending April 15, 2018 = 14 weeks weather permitting
  - League championship and Singles Tournament will be April 22, 2018

In the event of inclement weather, the Secretary will notify by email distribution, official website, Facebook page and Kellogg Bowl.

- Teams may, with a legal line-up, pre-bowl with notification to the Secretary and the opposing Team Captain. In the absence of the Secretary, notification shall be made to the next highest officer. Pre-bowl must be completed by the date of the originally scheduled match. Teams can bowl unopposed. In documented extenuating circumstances only, and with the Secretary's approval, when the team is unable to field a legal line-up, they may request a post-bowl. Post-bowled games must be completed before the next scheduled league night. The Secretary shall notify the opposing team as soon as possible. The team captain should make arrangement with Kellogg Bowl for the pre/post-bowl date. The team must request the desk to print out all games bowled to turn into the Kellogg Bowl office along with the recap sheet. Failure to do so will void all scores bowled unless print out is not available that time. Teams may only pre/post-bowl a total of 5 times during the season.

**USBC Rule 111e, Item 8** – Excludes scores bowled in unopposed pre or post bowling from USBC high score award eligibility. (Delegates ratified the USBC Board vote when the board approved this amendment for the 2006-07 season.)

*Do not pay the bowling alley for your bowling when pre-bowling. Put the money in the payment envelope during the next regular league night.*

If fees are not paid by scheduled date, all games bowled for that person both pre and post will be forfeited. A vacancy score will be substituted.
- No person can be more than two weeks in arrears (\$30.00) at any one time or that person shall forfeit all games bowled during arrearages until brought current. Another team member cannot use other team member prepayments to offset arrearage.
- If a member has cause to resign from a team during the season, a two-week written notice must be given to the Team Captain and the Secretary. Should another person fill the person's vacancy before the end of those two weeks, the resigning member shall be refunded all prepaid monies applicable. The new member would owe prepayment for their last two weeks of the bowling schedule within three weeks of their first night of bowling. Any member who withdraws without giving sufficient written notice

or reason, or has been dismissed in writing from the league for sufficient cause, shall forfeit any money paid into the league. Any team that withdraws from the league during the season for any reason will forfeit all prize money.

6. There will be no shortages allowed, except for vacancies. It is the responsibility of the Team Captain to see that members of their team are current in all league fees. There will be no partial payments of weekly fees allowed.
7. The league will charge a \$25.00 handling fee on all returned checks plus any incurred bank fee expense. All \$25.00 handling fees collected will be added to the prize fund. NSF check will be calculated back to the original night of bowling and arrearage game forfeiture policy will apply.
8. The salary paid to the Secretary and Treasurer shall be paid at the completion of the league schedule. Each officer is responsible for their own expenses, unless otherwise approved by the board. The President will authorize full payment after the Secretary has furnished all average sheets requested by Greater Portland USBC Association, including the final average sheet.
9. The President will audit the bank statement monthly. The President shall notify the Secretary of completion.
10. The President will appoint a non-officer league member to audit all fund accounts. There shall be at least one random audit performed each half of the season prior to funds distribution.
11. An account shall be opened in the name of PDX Pride in a local banking institution in which funds will be deposited weekly. Withdrawals from the account shall be made only with the joint signatures of at least two PDX Pride officers.
12. The PDX Pride league shall join as a member league of the International Gay Bowling Organization (IGBO) and pay the annual membership out of the prize fund. (IGBO membership fee based upon estimated league playing strength of 51 to 100 bowlers, dues of \$100.00 USD). IGBO is the official bowling organization for the LGBT community, representing over 5,000 lesbian, gay, bisexual and transgendered (LGBT) members from Australia, New Zealand, Canada and the United States. IGBO was created out of a desire to unify all of the gay leagues and open lines of communication between them, as well as promote the sport of bowling through league and tournament participation reflecting the ideals of Unity, Fellowship and Communication. By bowling in an IGBO member league, PDX Pride bowlers are a member of IGBO and may take advantage of the IGBO Member Benefits.

#### **D. Entering Averages**

1. Averages for all league bowlers will be computed after completion of their first three games bowled. This rule is to be instituted for the 2017-2018 season at Kellogg Bowl only and this section will revert back for the 2018-2019 season.

#### **E. Handicap and Standings**

1. A 7-point system will be used for determining team standings, with 2 points per game won and 1 point for team series.
2. The PDX Pride League will bowl on a handicap basis.

3. The individual and team handicap for league and award purposes will be based on a 90% difference between each individual's average and a base of 220. Negative handicap will not be applied

## **F. Roster and Legal Lineup**

1. Captains will turn in roster of team members to the Secretary by the end of the first night of bowling. A team roster will be limited to 6 members. Any roster change must be reported to the Secretary prior to the time the new member bowls.
2. New members cannot be added to a team roster in the final 2 weeks of each half of the season. The only exception is if there is a vacancy to complete a four-person team.
3. A minimum legal lineup must include at least 2 players from a team's full current roster.
  - a. When a team has only two roster members, only 1 member needs to be present for a league lineup. This would apply until a third member is added to the roster.
4. A legal lineup must be present before the start of the first frame of any game or the game is forfeited.
5. A player who arrives late after their team has started to bowl shall be permitted to bowl provided the opposing team has not completed the third frame.
6. A team intentionally delaying the game to wait for a late player will forfeit the game. League Officers will determine validity of delay concern. Should the third frame be completed per Rule 5 of this section, the bowler may not bowl until the start of the next game; however a blind score is still used for the missed game. (Blind score = average minus 10 pins).

## **G. Substitutes**

1. League roving substitutes will be allowed.
2. Absent team members are responsible to pay weekly fee. A substitute bowler may be responsible for the weekly fee at the discretion of the Team Captain.
3. League roving substitutes will not be eligible for league awards.
4. League roving substitutes will not be able to bowl the last week of each half and the last week of the season.
5. Pacers will not be allowed.

## **H. Vacancy and Absentee Scores**

1. In the event a team is short a bowler on its roster, a vacancy score of 120 (handicap 90) for each game bowled will be used. No pins shall be deducted from that score.
2. In the event a bowler is absent and there is no substitute team member, the bowler's average minus 10 pins shall be used. One of the following rules will apply:
  - Team member with the most number of games bowled shall be used.

- If team members have the same number of games bowled, then the bowler with the highest average shall be used.

## **I. Forfeitures and Byes**

1. When a game is declared forfeited or a bye exists due to an odd number of teams, the team present shall bowl as though the game was actually contested.
2. The team present must bowl within 40 pins of their current team average in each game of their series in order for that team to win the points for that game. Points not won will not be credited to either team and will be recorded as “unearned” points. The forfeiting team automatically loses all points for that week.

## **J. Awards and Qualifications**

1. The President shall be responsible for ordering all awards. Total costs not to exceed \$550 for all awards. The cost of the awards shall be deducted from the prize fund.
2. To qualify for individual average, series, or game awards, a bowler must complete a total of 10 weeks (30 games). Under extraordinary circumstances, this rule may be waived at the approval of the Board of Directors.
3. A bowler or team may not qualify for more than one individual award. Individual awards are defined as High Scratch Series, High Scratch Game, High Handicap Series and High Handicap Game.
4. High average and/or most improved average USBC award recipient will also be entitled to an individual award if earned.
5. Scratch awards take precedence over handicap; series awards take precedence over game.
6. The most improved average award shall be figured after 21 games until the end of the season.
7. In the event of an individual tie, duplicate awards will be given.
8. Singles tournament held last night of the season. Standings based on handicap series bowled. Prize fund equals total collected from weekly dues for the complete season. Payout 100%, 15 places shall be paid. An optional Doubles event will run concurrently to the Singles tournament.

The money will be distributed as \$100.00 to the team who is the winner of either season half; \$200 to the team who is crowned as League Champion.

## **K. Ties and Playoffs**

1. In the event of a tie for first place in either split season half; or championship, there will be a one game roll-off that night immediately following league bowling. In the event of a multi-way tie, each team will bowl one game on designated pair of lanes. First place winner will be determined by one game total pins including handicap.

## **L. 50/50 Drawing**

1. Selling tickets will rotate weekly to each team. Ticket sellers must be at least one league bowler, and anyone is welcome to assist the league in this endeavor. The league will rotate in team number order within the week number. If a BYE team exists, then the team bowling the BYE will be the team seller. The Sergeant of Arms will administer the raffle.
2. 50/50 prize fund will be distributed as follows:
  - 50% of total funds collected awarded back to the winning ticket holder.
  - 50% of total funds collected added to the total league prize fund distribution.
3. Officers will allow a selected charity to sell 50/50. (Limit 6 per season). Officers will monitor and regulate so that no one charity will sell more than once per season.
  - 50% of total funds collected awarded back to the winning ticket holder.
  - 50% of total funds collected awarded to charity. Paid via check to the Charity.

2. President shall appoint a Director and a web committee with the Director as chair.
3. All website changes must be approved by at least three league officers before being posted.
4. League Secretary will be reimbursed with the prior approval of the League Officers for yearly CDE software update (bowling software) and League Secretary (standing sheets and bowler stats web site).
5. All web costs will be paid with money collected from fifteen cents weekly fee for the complete season. After all web costs have been paid for the season, balance left will be paid to the web developer with the approval of the League Officers. Any remaining funds will be allocated back to the Singles tournament prize fund for the season.

## **N. Prize Fund**

1. The prize fund will be divided by the total number of points won and then distributed to the teams. Any team with more than 8 vacancies for the year will be awarded the percent of points won by the amount of weeks paid. Any team paying \$1624.00 or more will receive full payout. A team that joins mid-season only will be deducted for the weeks they bowl without a full roster.

- Example A: 31 weeks times \$56.00 is a total of \$1736.00 for a full year with no vacancy.
- Example B: If a team had 20 vacancies and paid only \$1456.00, that would be 84%. They would receive that percentage of their points in prize money.

**Approved by membership present at organizational meeting on August 24, 2017**
